

## KIPP Visual Systems

Is proud to offer custom mounts for the Panasonic AG300, 600 & 800 cameras.

As an authorized Panasonic dealer, KIPP Visual Systems has installed Panasonic cameras in various applications. KIPP technicians have found innovative ways to customize the installation of many Panasonic cameras. Now, KIPP Visual Systems offers your dealership this valuable selling advantage. These custom mounts are fabricated of heavy steel, pre-drilled and powder coated ready for installation. These solid mounts will add the final professional touch to churches, boardrooms and studios.

Ceiling or Wall Mount Available in Black or Powder White and priced at ONLY **\$175.00** each (plus S & H) these custom mounts will provide the missing design element in your project. Also added is the adapter plate for the AW-PH400 High-Performance pan tilt head. (Only **\$75.00** each.) To order call KIPP Visual Systems or fill out the attached order form and fax your order in today. Remember to specify the color needed.
